Original Generation was released in the United States on August 8, 2006 It is the first game in the Super Robot Wars series to ever be commercially released overseas, since, unlike the rest of the series, it contains no characters from other media, therefore, no legal entanglements were involved in a foreign release.. You should be able to enjoy it quite well as it is, though!Quoth Fortemaster: Here`s the rule: You don't complain, because it`s a PSX translated SRW.. The game was originally released in Japan on November 22, 2002, and stars various original characters created by Banpresto for their Super Robot Wars series.
